Christian Church Protracted Meeting Closed Friday.

The meeting at the Christian church, which closed last Friday evening, was well attended throughout and Elder Miller delivered a splendid discourse each evening for two weeks. His sermons were not of an offensive doctrinal character but were gems of christian thought and were worthy of acceptance by any who were fortunate enough to hear them, and he made many new acquaintances and friends while here on this visit. The regular choir furnished music and was assisted by Misses Lucile and Juliette Pope and Miss Miriam Pierce. Elder Miller will fill his regular appointment here on the third Lord's day of each month, morning and evening, to which services the public are cordially invited.

The Crittenden Record-Press congratulates Prof. Quaid and wishes the happy couple much joy and long life.

Russia's Millions Spent in America.

New York, Nov. 3.--The distribution of a \$57,000,000 Russian war contract for munitions and

supplies recently awarded in this country was announced today. The Bradley Construction Co., was awarded the munition contract, which totals about \$50,000,000 and includes one billion rifle cartridges. Its contract provides also for a new one man machine gun which is carried on a soldier's back. It is an American invention. A contract for five million yards of cloth for overcoats was awarded to the American Woolen company.

DYESTUFFS FROM GERMANY NOW DUE.

Arrangements With Great Britain Lets Cargo through.

Washington, Nov. 3.--Fifty tons of coal tar dyestuffs of German manufacture were due in New York yesterday on the steamer Saint Louis, consigned to the secretary of commerce. The shipment is for the account of William A. Mitchell, of Lowell, Mass., representing the National Association of Cotton Manufacturers. In a statement the commerce department said: Several months ago the secretary consented to act as consignee of two cargoes of dyes from Germany for which sale passage was assured by permits granted by the British government upon the express condition that the secretary of commerce would be the consignee. The embargo upon the exportation of these cargoes from Germany has not been lifted. Arrangements were made however, by American manufacturers with the British government whereby that government has permitted the exportation to the United States of the dyes coming on the Saint Louis. It is hoped that this is the first of a series of similar shipments.

MARION'S BIG- GEST DAY

In History.--Was Last Saturday When Over 5,000 Attended School Fair.

I take this method of thanking you, one and all, for the hearty co-operation and valuable assistance given me and the loyal teachers of the county (God bless them) in making October the 30th the best day ever known in Marion and the county as a whole, in the social lives of our childhood, patrons and citizens alike. The School Fair was undoubtedly a success.

Especially, do I want to thank the teachers of the Marion Graded and High School. They are jewels, every one of them. No child can live daily under their influence and grow up to be other than a true citizen and patriot. The Marion High School orchestra and band can't be beaten, especially for loyalty, willingness and faithfulness. Especially do I thank you.

The Crittenden county teachers cannot be surpassed. They are as good as the best. No words can express my feelings toward you. I have no stronger feeling of gratitude, sympathy or loyalty for kith or kin than I have for you. We are one. Too, the good trustees are due the admiration of any people. I have never issued a call for either teachers or trustees, be the occasion what it may, but what you have responded cheerfully and gladly. I thank you.

In talking with Mr. A. S. Cannon, chief of police, whose duty it is to know of and adjust all complaints etc., he informs me that there was not a single complaint, or accident and that he heard no rough, obscene language used by any one during the whole day. He estimates the crowd at six thousand, and not a disorderly act from any one.

Again, I want to thank all that helped to make this, Crittenden County's first School Fair a success.--but what does it all mean any way? We all have a place to fill, a work to do, a crown to win. If it is in bringing "town" and "county" closer together; making life brighter for the children; creating a greater desire for more and better school work, or whatsoever, it is only making a greater and better citizenship, and making Crittenden a better county in which to live. So let's move onward and upward. Yours for better service.

E. Jeffrey Travis,
County Superintendent.

Aping the Elephant

A 6-year-old boy was eating peanuts. He ate them in the usual manner for a time and then poked one up his nose. Not getting the desired results in that fashion he went crying to his mother. She tried to remove the peanut, and after failing in the attempt, called in a physician. After the peanut was removed, the physician had gone and things settled down to some extent, the mother began to demand an explanation.

"Why in the world did you want to poke a peanut up your nose, anyhow?" she asked.

"Well," replied the boy, in self defense, "that's the way the elephants eat them."--Indianapolis News.

ROBT. LEAR HOME AGAIN

Has Been in Several Successful Meetings. Below is Abstract of His Trip.

I am just in from a 3 months campaign, which has been one of the greatest of my 10 years in the evangelistic field. I left home on the morning of Aug. 11, went to Downie camp near Mt. Vernon, Ill. We had a great camp. Rev. P. Raymond Powers was my co-laborer, he preaching twice daily and I had charge of the music and preached once daily. Many souls were definitely blessed.

My next engagement was at Water Valley Ky., a union meeting with Methodist and Presbyterian churches, that was also a great meeting. We held three services daily. I led the music and preached once every day and some days twice, the Lord wonderfully blessed us in this meeting. Many were convicted and converted in the old way (and not the new way). Strong men fell in the altar and surrendered to Christ. From that meeting I went to Portland, Tenn., to join my old friend Uncle Charlie Wimberly in a meeting in the Methodist church. I had charge of the music and preached three times each Sunday when Bro. Wimberly went to fill his appointment in his own church. The people say that was the greatest meeting ever held in the city. Scores of men and women were converted and joined the church.

From that meeting I went to the Ky. conference to hold a meeting for Bro. P. J. Ross one of the best men in the Ky. conference. The Lord graciously blessed his word in that meeting. Then I was privileged to attend our annual conference and lead the music during its session. My next engagement was Bucklin, Mo., 240 miles N. west of St. Louis. I lead the music and preached twice and three times a day for 16 days. The meeting resulted in nearly fifty conversions and accessions, also from the influence of the meeting the business houses will no longer run their businesses on Sunday. Bucklin is a fine little city situated on the Burlington and Santa Fe R. R.'s also it has an ocean to ocean highway, a Big 4 highway and two state highways that cross the entire state and it is surrounded by a rich productive country and there are some as fine people as can be found anywhere, but notwithstanding all this, some of the merchants did business on Sunday, but now the entire town is rejoicing over the Sunday closing and the good meeting the Lord gave us.

Then giving a report of myself since Aug. 11th. I will say I have led the music in five revivals, sung about sixty solos, and preached about seventy-five times, with but one day's rest. The Lord has wonderful blessed me in strength of body and in voice, so that I scarcely know I have been busy, but as I am at home I think I shall take a little vacation. To Him be all the glory for the many souls I have seen blessed. Amen.

ROBERT LEAR.

Senator James, who came home to make the closing speech of his campaign in the interest of Stanley, was listened to by a crowd which comfortably filled the opera house. He left Tuesday at noon for Washington, D. C.

Henderson's Big Vote.

Epworth League Entertained Friday Evening.

The Epworth League delightfully entertained at the home of T. H. Cochran Friday evening with a Halloween party. The Halloween decorations were artistically carried out in pumpkins, black cats and witches. Delightful refreshments were served in the dining room. The table was decorated with fall flowers as a centerpiece and around this were black cats and ferns.

Contests and games were enjoyed by more than fifty guests.

Republican Landslide.

The returns from the Governor's race are coming in slowly, and both sides claimed to have won at 2 o'clock Wednesday. It is, however, conceded that Jas. D. Black, the Democratic candidate, has won the Lieutenant Governor's race. At 3 o'clock Wednesday as we go to press, the newspaper reporters at Louisville are wiring to Cincinnati and Washington afternoon papers that Stanley has won by a very narrow margin.

A Horrible Mistake Corrected.

Marion, Ky., Oct. 1st, 1915.
Mr. S. M. Jenkins,
Marion, Ky.

Dear Sir,

Am writing in regard to a serious mistake in your paper. Will you please correct it? I sent to your paper, an account of a picnic Oak Hall went on, which one of my pupils wrote and in this was an account of an acorn battle which occurred. You had the following:

"The girls got to throwing 'KISSES' at the boys and followed acorn battle." It was an astonishing mistake, it was.

"The girls got to throwing 'ACORNS' [not kisses, by no means] hitting the boys with them and causing an acorn battle."

Please correct it. It may be that you made a mistake or as a joke, but as joke it suited neither pupils or teacher. But the girls at Oak Hall, [most certainly] did not throw kisses at the boys, on the picnic or anywhere else.

I hope you will print a correction.

I remain,
Eula B. Gass.

PROVIDENCE H. S. WINS FROM MARION.

Score Was 26 to 0 In Favor of P. H. S.--Play Morganfield Saturday.

(Providence Enterprise)

The Providence High School football team came home from Marion Saturday evening in great glee. They had met the enemy and he was theirs. They had taken Marion's scalp and while some of them had the skin rubbed off in places, legs aches and "slats" were all aches. They were treated nicely by the Marion lads and hope to meet them again soon. The score was 26 to 0 in favor of Providence.
